

DG REFORM SUPPORT TO THE EUROPEAN GREEN DEAL

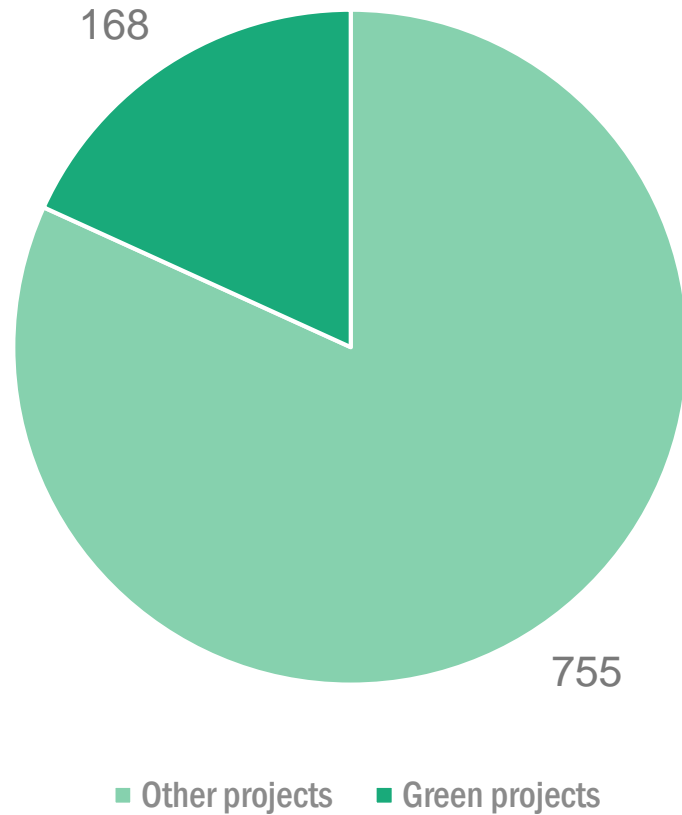

4 November 2020

Categorising green projects

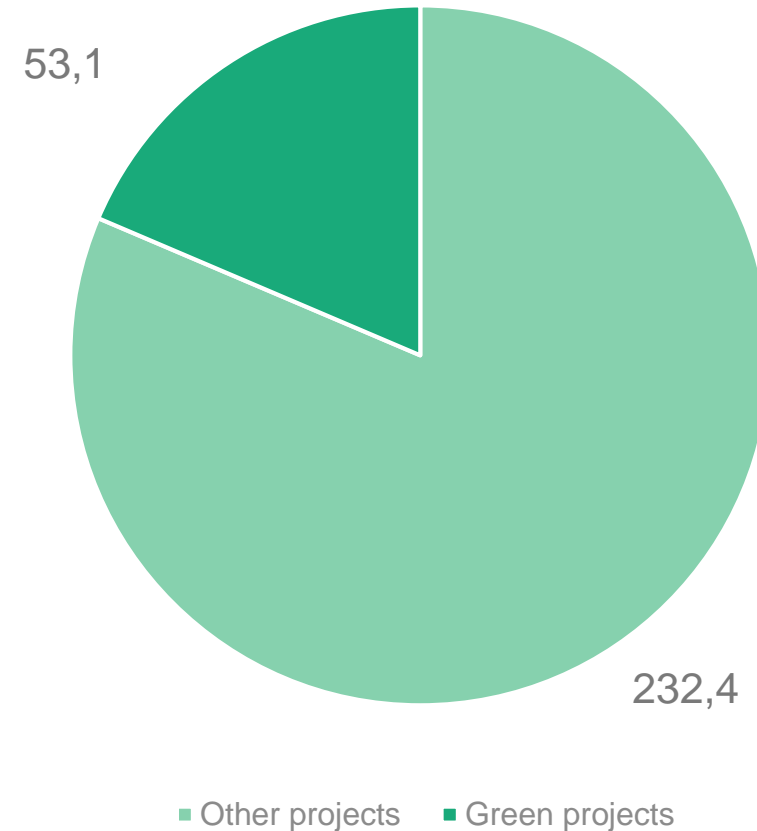

- *Based on DG BUDG Guidance for Climate related tracking in ABAC – adapted to wider focus of EGD*
- *Data source: JIRA*
- *Time period: 2016 - 2020*

More than 160 green projects over more than EUR 50 million have contributed to policy areas under the EGD

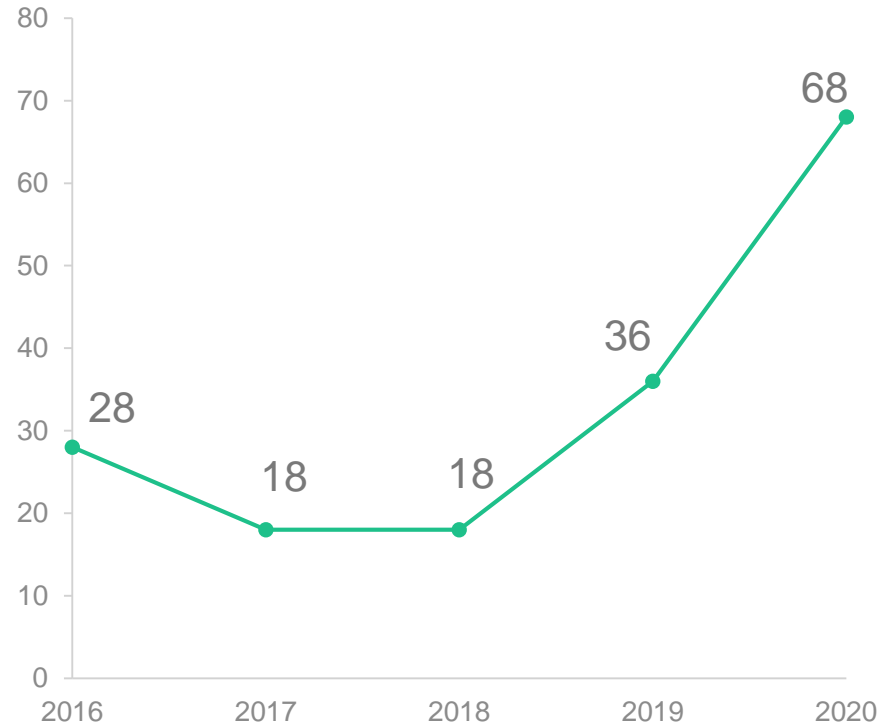

Number of green projects since 2016

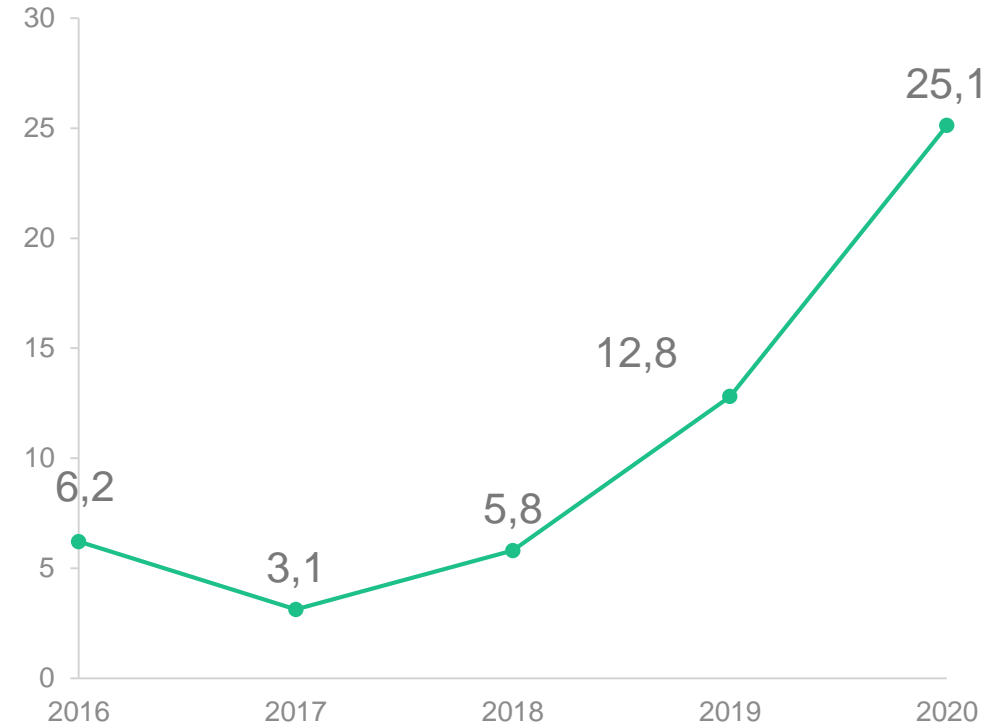

Financing of green projects since 2016 (EUR million)

Over the last two years, DG REFORM has substantially expanded its support to green projects, both in terms of number and financing.

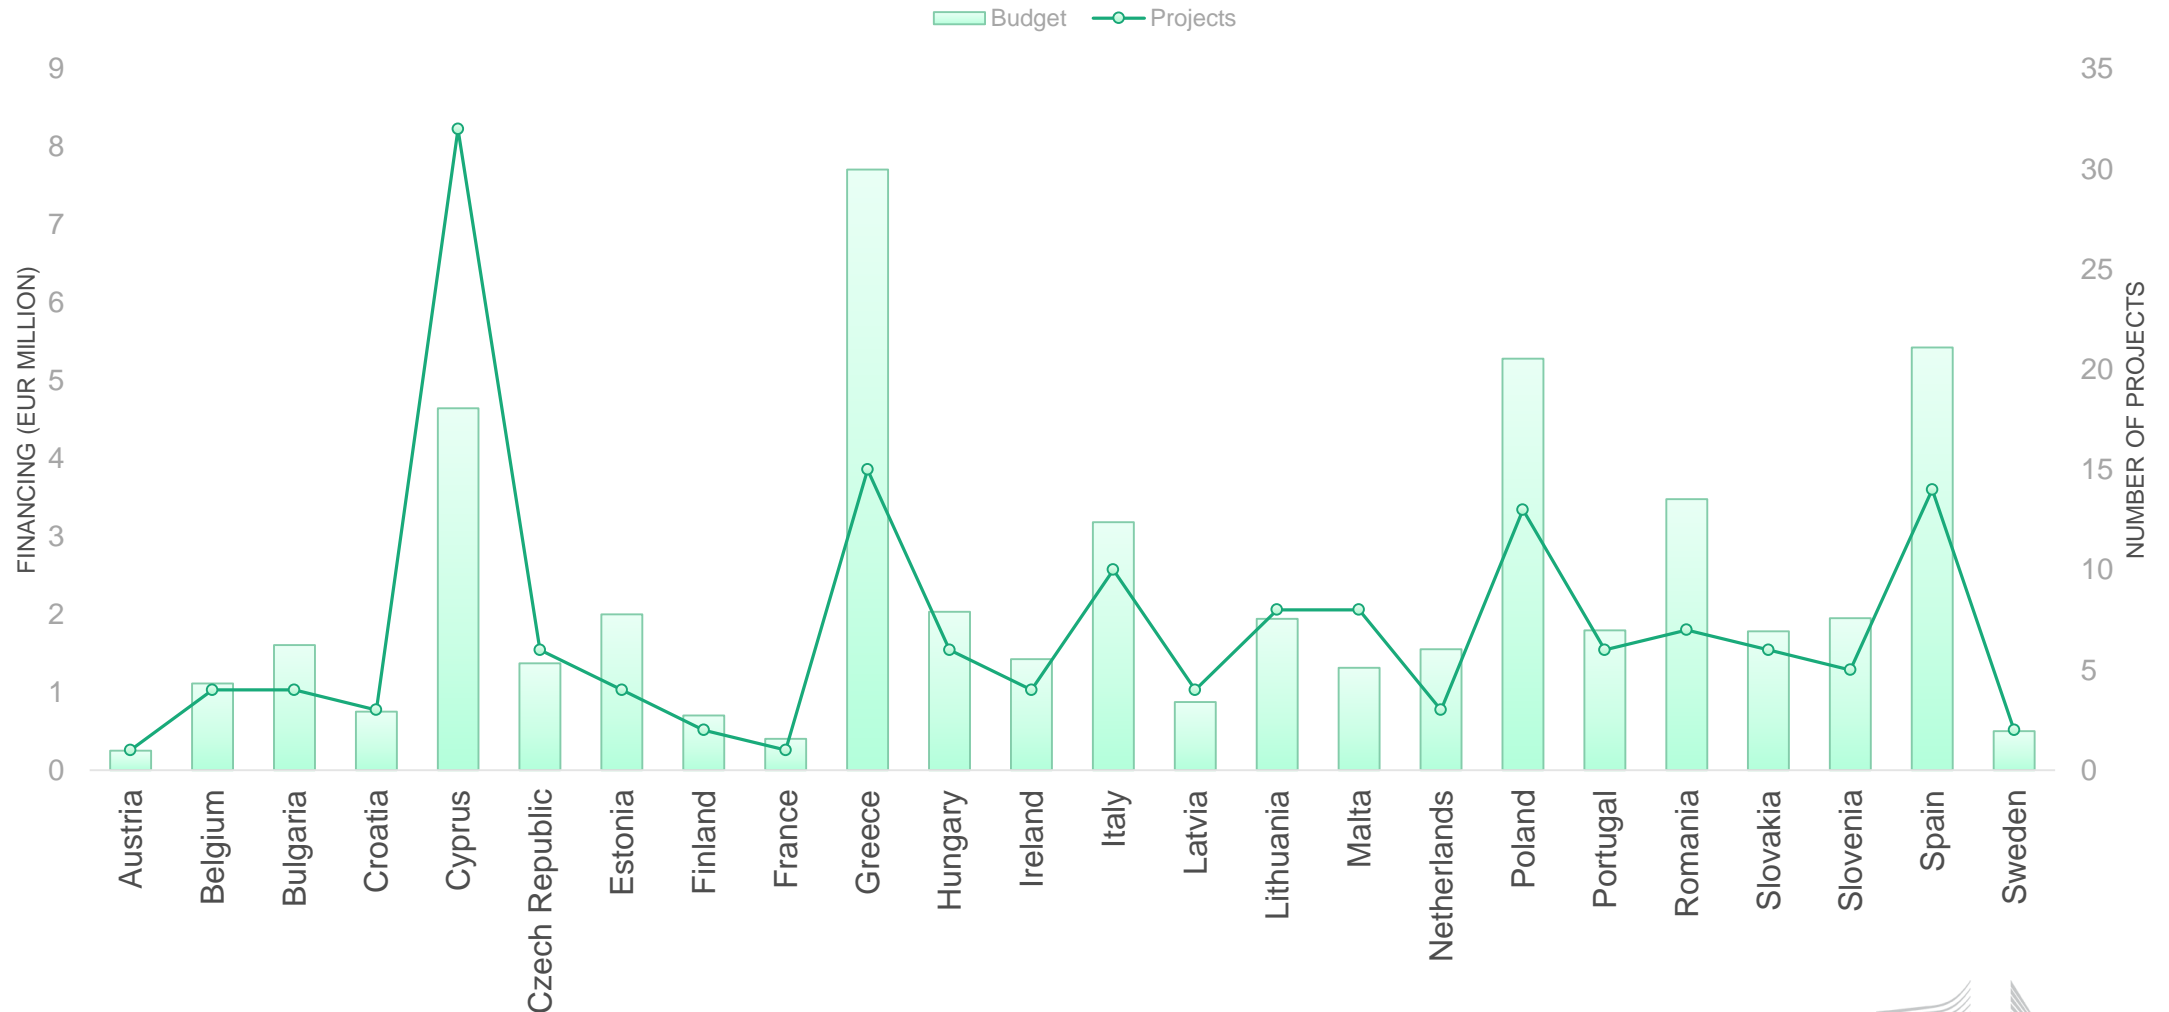

Number of green projects by year of Financing Decision

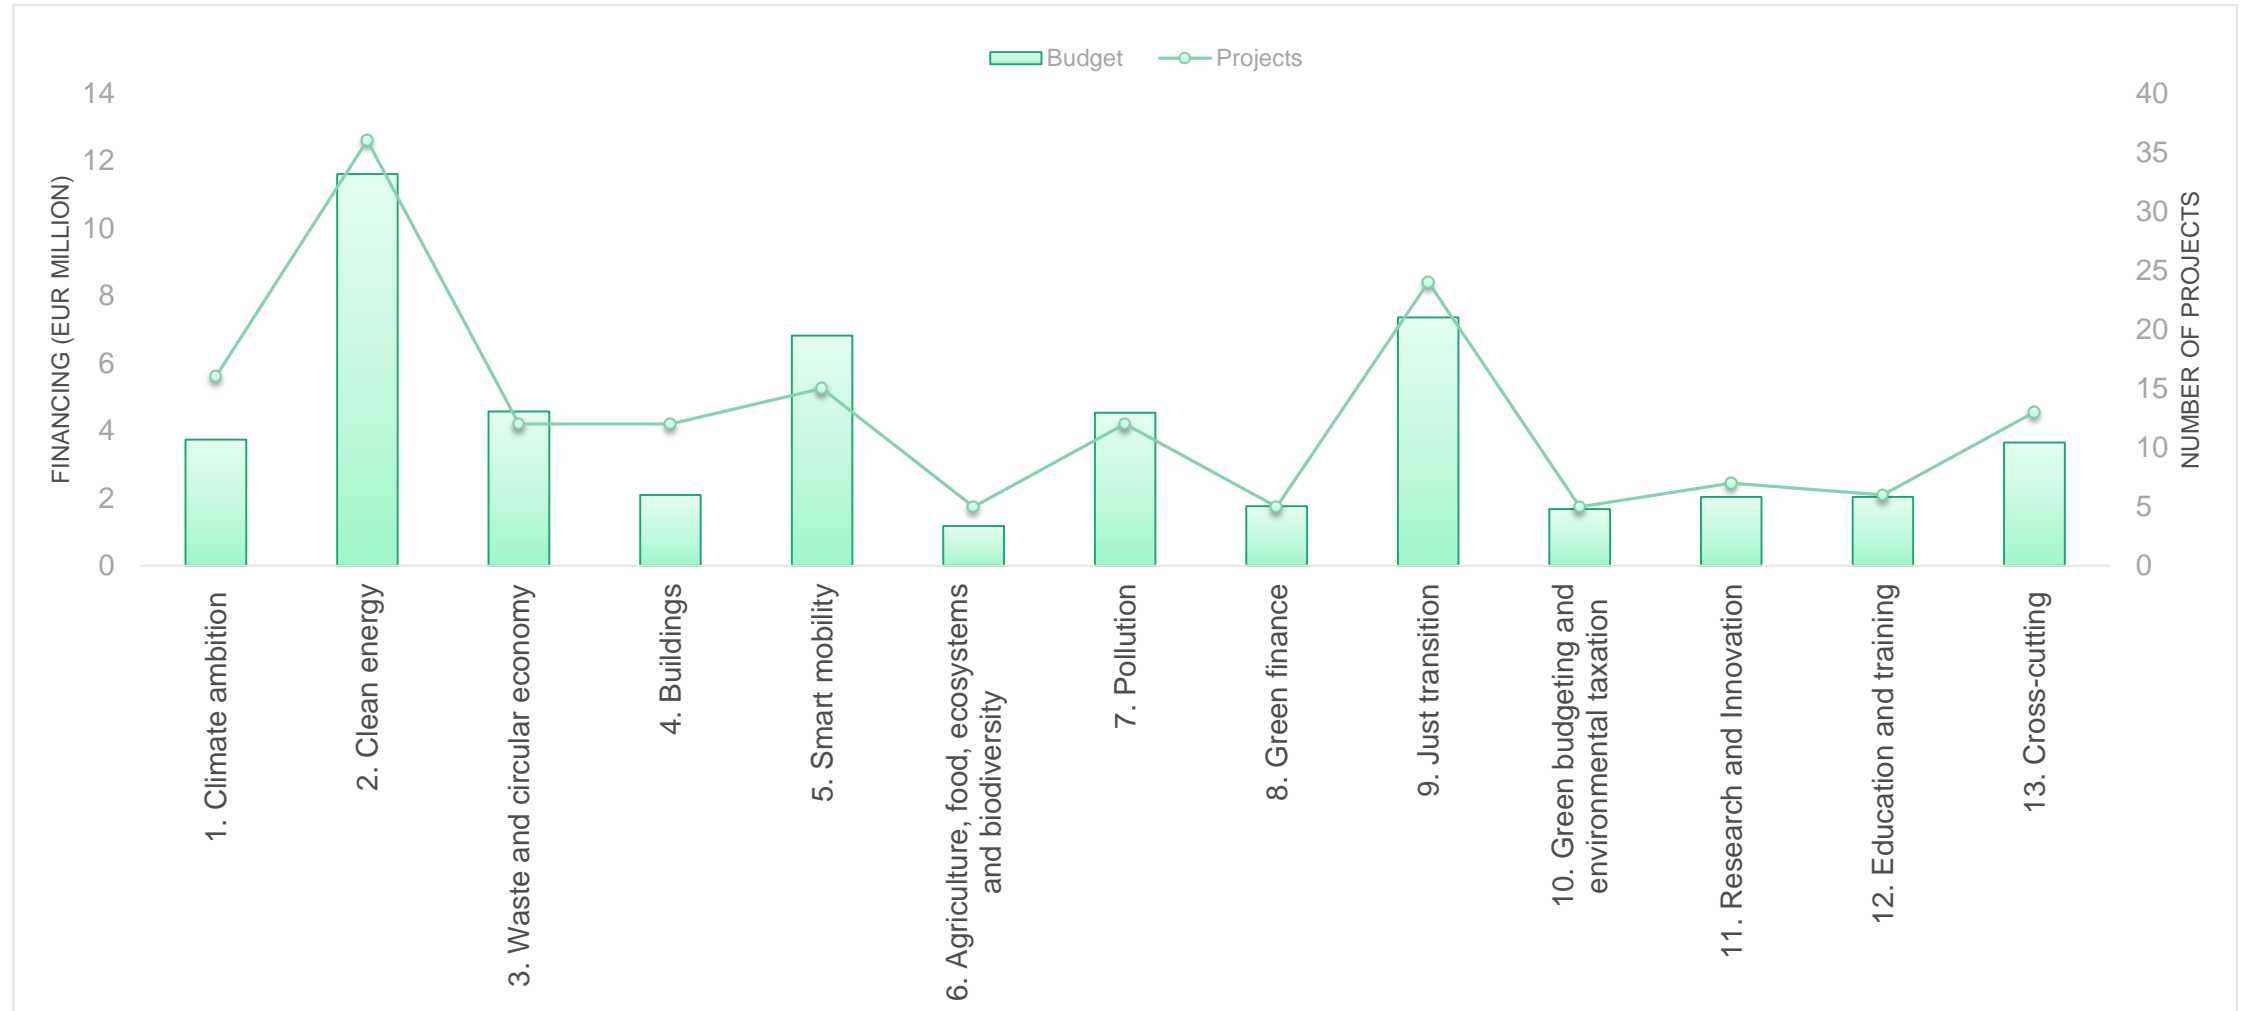

Financing of green projects by year of Financing Decision (EUR million)

DG REFORM has supported **twenty-four Member States** with green projects

DG REFORM support covers the main policy areas of the European Green Deal

Since 2016, DG REFORM has supported a large portfolio of green projects linked to policy areas under the European Green Deal

1. Increasing the EU's climate ambition *(EGD Section 2.1.1)*
2. Supplying clean, affordable and secure energy *(EGD Section 2.1.2)*
3. Mobilising industry for a clean and circular economy *(EGD Section 2.1.3)*
4. Building and renovating in an energy and resource efficient way *(EGD Section 2.1.4)*
5. Accelerating the shift to sustainable and smart mobility *(EGD Section 2.1.5)*
6. Designing a fair, healthy and environmentally-friendly food system & Preserving and restoring ecosystems and biodiversity *(EGD Sections 2.1.6 & 2.1.7)*
7. A zero pollution ambition for a toxic-free environment *(EGD Section 2.1.8)*
8. Pursuing green finance and investment *(EDG Section 2.2.1)*
9. Ensuring a just transition *(EGD Section 2.2.1)*
10. Greening national budgets and sending the right price signals *(EGD Section 2.2.2)*
11. Mobilising research & fostering innovation *(EGD Section 2.2.3)*
12. Activating education and training *(EGD Section 2.2.4)*
13. Mainstreaming sustainability and environmental capacity-building

Thank you!
